river banks. On arrival at the vineyard, which is celebrated for it's spectacular sparkling white wine, you will have time to change your shoes before starting a tour of the vineyard. Your guide will explain how the grapes are cultivated, picked and processed in order to make the wine. Of course it wouldn't make sense not to try some wine after the tour! It's time to sit back and taste some wine, eat some great salami and cheese.

Today you will take part at the historic bike ride La FURIOSA. The starting point will be in the historic city centre of Ferrara.

The "Furiosa" race of 55 kilometers discovers the territory of the Estense family, where you can find the historical summer homes of the noble Ferrara family. At special refreshment spaces, you can try salami from Ferrara, sliced "salamina" salami, various cured meats, pumpkin and asparagus tarts, cheeses, typical Ferrara bread, all accompanied by the typical wine grown in the local, sandy terroir.

You will then have to give yourself a last push to return to Ferrara, where you will be greeted by a rich buffet of specialties from the territory in the "imbarcaderi" of Estensi Castle non riders are also invited to join the lunch).

The afternoon you are free to explore the city. The afternoon is also dedicated to children: The baby Granfondo will wait for them for a short ride over the ancient city walls (parents are invited to join it). When the expo closes the open bar opens: you are all invited to the aperitiv party at PALPALESTRE the Granfondo home. All our staff will wait for you for a nice party under the medieval walls.
